

BUNDESKUNSTHALLE

Invitation to a Media Conference
Thursday, 1 June 2017, 11 a.m.

ALEKSANDRA DOMANOVIC

Calf-Bearer

2 June to 24 September 2017

In her work, Aleksandra Domanović (b. 1981 in Novi Sad, Yugoslavia) takes a probing look at a wide range of phenomena of contemporary society, among them cultural techniques, scientific and technological developments, history and culture, popular culture and the shaping of national and cultural identity. Her work often has its starting point in the examination of the past and present of her home country.

For her exhibition in Bonn, the artist expands on one of her themes – *Bulls Without Horns* – and looks at current scientific research and development, namely bioengineering and the breeding of certain traits in cattle, like the lack of horns. She translates these ideas into sculptures, which she produces by means of computer modelling, 3D printing and casting in Jesminite. Her votive stelae are transformed depictions of the Greek *Moschophoros* (Calf-Bearer) of the sixth century BC, found on the Acropolis of Athens in the so-called *Perserschutt* (the rubble of the architecture and sculptures destroyed by the Persians in 480 BC).

We cordially invite you to a media conference on Thursday,
