

BUNDESKUNSTHALLE

Invitation to a Media Conference
Thursday, 12 March 2019, 11 a.m.

WE CAPITALISTS
From Zero to Turbo
13 March to 12 July 2020

Capitalism is far more than simply an economic system. It is a social order that has shaped our thinking, perception and existence for centuries. Approaching the topic from a cultural and historical perspective, the exhibition examines the fundamental characteristics of Capitalism – rationalisation, individualisation, accumulation, money and investment as well as typically Capitalist dynamics such as unrestricted growth and creative crises. With a selection of around 250 objects taken from the realms of art, history and everyday popular culture, the exhibition sheds light on a complex subject of great social relevance that touches each and every one of us. In a way, this 'DNA of Capitalism' has long become part of our own DNA. How does Capitalism shape our identity and history, for example in terms of our individuality, sense of time, and attitude to material possessions? Can or must we change it – and do we want to? Educational programme in cooperation with the Federal Agency for Civic Education.
