Invitation to a Media Conference  
Thursday, 9 June 2016, 11 a.m.

## JUERGEN TELLER

**Enjoy Your Life!**

10 June to 25 September 2016

Juergen Teller is one of the world's most sought-after photographers. His images are situated at the interface of art and advertising, and his stylistic device of choice is the portrait. Working in the areas of music, fashion and celebrities as well as everyday scenes and landscape, he draws on his intuitive feel for people, situations, milieus and clichés to create images of great immediacy and deceptive simplicity that foreground the idea of imperfect beauty. Teller deliberately distances himself from the glamour of fashion and people photography. In his shoots for well-known fashion designers he places supermodels, pop stars and other celebrities in unexpected and often disturbing contexts, thus lifting them out of established visual codes and preconceived expectations. Other works are more autobiographical. These subjective documentations bear witness to the photographer's engagement with his youth and his origins and upbringing. Equally unsparring is the way he presents himself in staged yet strangely candid warts-and-all images.

We cordially invite you to a media conference on Thursday, 9 June 2016 at 11 a.m. The exhibition opens at 10 a.m.
