

# BUNDESKUNSTHALLE

Invitation to a Media Conference  
Friday, 10 March 2017, 11 a.m.

## **KATHARINA SIEVERDING** **Art and Capital from 1967 to 2017** 11 March to 16 July 2017

Internationally renowned as a pioneer of unconventional visual strategies and her innovative media-led practice, Katharina Sieverding has revitalised the artistic potential of photography. She introduced the super-sized format as a key element of her exhibitions at a time when this was far from common.

Since the 1960s, using film and photography, Sieverding has employed her portrait with unparalleled consistency, often blowing it up to monumental size and manipulating it in myriad ways. In the 1970s, with astonishing prescience, she began to develop her large-format multilayer montages on the state of the world. Her creative practice not only reproduces the accelerated visual processes of the present, it also scrutinises them in terms of responsibility, not least her own.

The retrospective exhibition presents a survey of Katharina Sieverding's serial photographic works from 1967 to today complemented by floor-to-ceiling projections that allow the artist to visualise the innovative power of her archive of images.

We cordially invite you to a media conference on Friday,  
10 March 2017, 11 a.m. The exhibition opens at 10 a.m.
